By VOLUNTARILY signing below, you, as a patient (or parent/guardian of a patient) agree to engage in a therapy/testing/consultation session and/or communication with a staff member of RSM Psychology Center/Sports Concussion Center of NJ by use of electronic and/or video/telephonic communication.

By signing, you also understand that in the use of SKYPE or FACETIME or EMAIL there are limitations to electronic communication security and that these modes are not considered HIPAA compliant.

You are advised to ask your doctors or our staff members any questions you may have regarding these services.

Health insurance may not always cover such services and we cannot guarantee coverage, as is the case with all our services.

For patients with Medicare traditional, workers comp, personal injury, Tricare, and Princeton Aetna, we will do our best to advise you as to what your health insurance company has told us regarding coverage.

If you voluntarily agree to the above, please sign below.
